February 8, 2023

Dear Valued Patient,

I hope this letter finds you in good health.

I am writing to inform you that due to recent changes in hospital policy, I will no longer be able to see you as your physician in the hospital setting. Hospital administration has imposed new rules that limit private practice physicians' ability to treat their full patient panel within the facility. Unfortunately, this means that I must suspend my hospital services for the time being.

I understand that this change may cause inconvenience. For that I deeply apologize. I want to assure you that my commitment to providing quality care to my patients remains unchanged. **I will continue to see you in my office for follow-up appointments and ongoing medical needs.**

Please do not hesitate to contact my office if you have any questions or concerns. I will make sure to keep you updated on any future changes that may impact my ability to provide you with care you have grown to expect and deserve.

Thank you for your understanding and continued trust in my medical practice.

Sincerely,

John Richards "Rick" Adams, MD  
Brenda Wainscott, MD  
Andy Shen, MD  
Syed Ali Madni, MD  
William DeSimone, MD
